Sherbrooke Community donation/support - in the good of community building. Can School Council make a donation to the Sherbrooke Community League? Once casino funds are available, it is within the eligible expenses and a donation can be made to Sherbrooke Community League. How much will be dependent on each school's wish list.

Cannot commit for this year, but let them know we are interested in supporting but will be able to provide a better response in the fall. Will need to decide if it is a tangible or monetary donation.

### **5.2 AGM date change**

Council will be moving the date of the AGM to October.

AGM and elections need to be held before October 31st.

This will give School Council the opportunity to reach out to parents to attend the first meeting of the school year in September.

School Council will campaign for parents to become engaged and attend the monthly meetings.

School Council is looking at ways to attract more parental volunteers.

Some ideas are:

- Save the date reminders for the first SC meeting in September.

- Having sign-up sheets and asking for their time, and to attend meetings.

- Revamping the descriptions of the positions that are available on School Council.

- Advertising on FB page, School Newsletter, and talking to parents. .

- Having the Principals reach out to parents, as Mr. Dang did in an email to the parents, stating "4 families are making decisions for the entire school".
