Class Quarantine FAQs

Although we have had relatively few classrooms in elementary needing to isolate, we want parents to be informed and understand the process.

How will I be informed?

If there is a positive case of COVID-19 in your child's class (or in contact on the bus) we will phone you to pick up your child as soon as possible.

- Classes start online the next day for the class that is quarantining.
- Classroom teachers will be in touch by email with more information about the class schedule and how to log on using your child's email address.
- Please ensure your emergency contact can pick up your child within 1 hour

Do I have to get my child tested?

It is recommended that your child gets tested for COVID-19 (see directions below). AHS will send you an email outlining further instructions and the date for the return to school.

What is a close contact?

Your child is called a "close contact" if someone in their class or within 3 seats on the bus tests positive for Covid-19.

- Your child is legally obligated to quarantine for 14 days and should not leave the house or have visitors, even if they test negative
- Other members of the family can still go to school and to work so long as your own child has no symptoms, unless AHS tells you otherwise.

How does this affect family members?

If your child has any symptoms, or tests positive themselves, then the whole family should quarantine and not go to school or work. AHS will have more information for you.

- Please let the school know if they test positive.

Where to find more information?

Alberta Health Services is the authority for all isolation dates and decisions. Please contact them at 811 for any questions regarding Covid-19 and/or quarantine.

Google Classroom

What is it? Why is it amazing?

All students have been invited to join their teacher’s Google Classroom through the student’s Aurora School email account.

Google Classroom has announcements and class-work that students can use to help complete their homework if they are sick at home or if they forgot their books.

There are also resources for parents, such as the phonogram videos by Ms. Woodman.

REMEMBER—the student must be logged into their own school email account to log into Google Classroom and Google Meet.

Dear Parents,

Due to the unprecedented nature of COVID-19 and the resulting social distancing guidelines, we are unable to proceed with our traditional spring fitting sessions. In order to better serve you, we are providing the following on all orders received by **no later than June 30, 2021**:

AURORA ACADEMIC CHARTER SCHOOL PARKING UPDATE

During school hours (8:35-3:00 p.m.), Elementary students will use the new entrance only if they are late or leaving early. Please look for the colourful windows to find the new entrance on the NW side of the building. Mrs. Sanjana Ball will now be in this entrance.

Middle School students will still use the Middle School entrance if they are late or leaving early and they will be signed in/out by the Middle School secretary, Mrs. Susan Mallory.

Unfortunately, due to COVID-19 restrictions, parents are not allowed inside the building at this time. If picking up students for appointments, please ring the doorbell at the correct entrance for your child and we will bring your child to the entrance.

- If you arrive at school between **8:15am** and **8:30am**, please do not drop your students in the bus lane.
- If you arrive after **8:30pm**, please drop your child off at the correct doors: KG to Grade 4 Elementary Doors
Grade 5 - 9 Middle School Doors

Library News

With summer fast approaching, it's time to start locating those overdue library books. If you're not sure what books your child has signed out, the Learning Resources Coordinator Ms. Poitras will be sending out reminder emails to all families with overdue library books later this month. The last week for checking out library books will be June 7-11. Please feel free to email Ms. Poitras at apoitras@auroraschool.ca if you have any questions or concerns.

AACS Board of Directors

Board Meetings

Board meetings are held online each month. Anyone who has a student registered at the school is welcome to attend.

The next Board meeting is scheduled for Thursday, May 20 at 7:00 p.m.

Aurora Acting Superintendent Message

Dear families,

The end is in sight. It has been a challenging year for all, but as we move closer to the summer and the air warms and the sun starts to beat down, I cannot help but get excited.

Students, parents, and school staff have been committed and resilient all year. You have struggled and survived the pandemic with strong hearts and concern for one another. I am proud not just of every individual, but of the learning that has been accomplished throughout. Aurora is truly remarkable.

I would like to thank the Board, a tireless group of dedicated parents, who, like you, have managed to keep their families safe and keep the school running smoothly. I feel truly honoured that they have selected me to serve as acting superintendent for the remainder of this school year; I promise to hold a steady hand on the tiller and to continue the enduring traditions of our school with conviction. And I would like to thank Mrs. Rockwood and previous superintendents for laying the foundation for our future.

Although much of our collective mind is on the safety and well-being of our students, we have not forgotten what makes Aurora special: our unflagging dedication to learning. The final two months are often some of the most difficult for students as they study hard for exams and finish their studies but our teachers will continue to teach and our students will continue to work hard. Our school motto was once "All Hard Work Yields a Profit" and I believe that still holds true today. Please remember that we are always here to support you and your loved ones with their learning as well as their health and welfare.

Again, I extend my heartfelt thanks to all. You are appreciated.

Thank you, and my door is always open,

Ian Gray

Innovation, Hard Work, Empowerment, Respect and Integrity, Empathy and Compassion

You might notice that the values at the top of this message have changed. These are the new Aurora School Values from our recently approved Charter Review. As you know, the Board spent 3 years engaging with parents, students, and staff to update our Mission, Vision, and Values.

Mary Healy

Assistant Principal
Elementary School
mhealy@auroraschool.ca

This is the first time we have had Values explicitly stated as part of our Charter. I think these values perfectly encapsulate not only what we think is important for students to learn, but also how we treat each other every day.

This year has been a testament to our openness to Innovation. We have all had to adapt to learning virtually and our teachers have found new and novel ways to engage students at home. Hard Work has been our constant companion throughout: teachers have learned new skills and re-made lessons to share online, students have had to learn new skills through Google Meet, and parents have had to put on their home-schooling hats when students are learning from home. I hope everyone has felt Empowered this year to make choices in the best interests of students. Our teachers have experimented with new software and methods, and our students have been empowered to take more responsibility for their learning. We stuck to our plan of empowering parents to choose At-Home or At-School Learning 3 times during the year, because we know that circumstances change. While there have been many emotions this year, I am proud to report that everyone has behaved with Respect toward each other and acted with Integrity as we communicated openly and honestly.

Empathy and Compassion have been the most important values to me this year. Students, parents, and staff have been placed in a new circumstance with every-changing rules. Everyone has shown such grace and caring, even when under stress themselves.

We truly have kept the spirit of "All of Us Are in This Together". I would sincerely like to thank you for living these Values with us every day.
