

Adopted	October 2, 1997
Revision Date	November 16, 2015
Review Year	2020

Background/Purpose:

Aurora School embraces the policy on library programs as stated by Alberta Learning: "Students in Alberta schools should have access to an effective library program integrated with instructional programs to provide improved opportunities for student achievement of the Goals of Basic Education for Alberta".

Policy Statement:

The primary objective of the school's Learning Commons is to implement, enrich, and support the educational program of the school.

Accountability

Monitored on a five year cycle by the Board of Directors in accordance with its annual work plan.
