We acknowledge that Aurora Academic Charter School and our community work, live, and play on the traditional territories of the Cree, Saulteaux, Blackfoot, Métis, Dene, Nakota Sioux, and Inuit whose footsteps continue to mark these lands in the future. We continually express our gratitude and respect for the land as we honour Treaty 6, its role in education, and the ancestral Knowledge Keepers and Elders who are still with us. Aurora Academic Charter School believes that truth must be acknowledged to move forward in reconciliation. We take this time to reflect on our roles and commit to building and strengthening our valued friendships and partnerships with Indigenous peoples in our teaching and learning. We celebrate the rich diversity of the Indigenous peoples as it connects with the diversity of Aurora Academic Charter School's culture, values, and desire to live in peace and prosperity together on this land we all call home.
